San Francisco, CA, United States of America

To Whom it may Concern,

I would like to recommend Fernando Cintra for your company/business. Fernando Cintra provided professional services for four months at AllTrails, LLC., as an independent contractor within the Data Integrity organization.

He consistently delivered quality services during that time and was a pleasure to work with.

I, Juliana Nunes, believe Fernando Cintra will contribute positively to their next professional endeavor. I am pleased to offer this recommendation on their behalf and would be happy to chat verbally.

Thank you for your time,

Juliana Nunes
